

SMA Artists Win State Honors

Three St. Mary's Academy High School students won top honors in the 2010 Colorado Regional Scholastic Art and Writing contest. Christina, grade 10, won a Silver Key for a still-life drawing; Ruby, grade 12, won a Gold Key for her portfolio of nine two-dimensional pieces and Jubilee, grade 12, won a Silver Key for her ceramic tea set.

Professional artists juried several thousand submissions from high schools throughout the state. The winning entries will be displayed January 9-30 at Rocky Mountain College of Art and Design.

Selections from Ruby's portfolio and all Colorado Gold Key work will be sent to New York City to be juried along with entries from all 50 states. A national awards ceremony will take place in June.

Congratulations to the students and their art teachers, Jamie Sniegowski and Andrew Beckham!
