

TRAVEL PERMISSION FORM 2008-2009
SMA Athletic Dept- High School

NOTE: SMA usually provides transportation to and from SMA athletic events with 14 passenger mini-buses. Our larger team sports have more than 14 players on the roster and therefore transportation in addition to the mini-bus must be arranged to and from away games. In some instances, the team will be transported TO the event, but the mini-bus will not be available for the return trip. In those cases, parents are responsible for picking up their daughters or arranging for transportation back to campus with other parents.

I understand that my HS daughter _____ (student's name) will be traveling from SMA to athletic contests listed as "AWAY" on the season's schedule.

- _____ My child may travel...**(PLEASE CHECK ALL THAT APPLY)**
- _____ in the SMA mini-bus, driven by a party authorized by SMA
 - _____ in a school sponsored bus, from a charter company
 - _____ with another parent/guardian
 - _____ with the coach or another member of the athletics dept./physical education dept./SMA employee
 - _____ with a student who drives
- _____ I will provide all transportation for my child to and from the scheduled events.
- _____ I will provide all transportation for my child following the events.
- _____ I will be able to accommodate _____ additional students in my car, with their parents' permission.
- _____ My child has my permission to drive herself

Any changes to the above plan will be sent by the parent/guardian to the athletics director & coach in writing. PLEASE NOTE THAT THE ATHLETICS DEPT WILL NOT MONITOR COMPLIANCE WITH THE ABOVE UNDERSTANDING.
