

Return Forms to SMA Athletic Dept. by August 1

**St. Mary's Academy High School
ATHLETIC PERMISSION TO TRAVEL
2011-2012**

NOTE: SMA usually provides transportation to and from SMA athletic events with 14 passenger mini-buses. Our larger team sports have more than 14 players on the roster and therefore transportation in addition to the mini-bus must be arranged to and from away games. In some instances, the team will be transported TO the event, but the mini-bus will not be available for the return trip. In those cases, parents are responsible for picking up their daughters or arranging for transportation back to campus with other parents.

I understand that my HS daughter _____ (student's name) will be traveling from SMA to athletic contests listed as "AWAY" on the season's schedule.

Please check all that apply:

- My child has permission to travel in the SMA mini-bus or in a school sponsored bus.
- My child has permission to travel with another parent/guardian.
- My child has permission to travel with a student who drives.
- My child has my permission to drive herself.
- My child has permission to drive herself and other teammates.

Any changes to the above plan will be sent by the parent/guardian to the athletics director & coach in writing. PLEASE NOTE THAT THE ATHLETICS DEPT WILL NOT MONITOR COMPLIANCE WITH THE ABOVE UNDERSTANDING.
